Wilcox World Travel and Tours serves hundreds of "not-for-profit" organizations across the USA traveling to various locations all around the world. We specialize in serving those travelers working with:

- Church Administrators and Professionals
- Church Clergy and Missionaries
- Foundations and Professional Associations
- Nationwide Interdenominational Churches
- Nationwide Missions Agencies
- Relief Organizations and Disaster Relief Teams
- Youth Ministries, High Schools
- Universities and Seminaries
- Church Associations

The Missions Department of Wilcox World Travel and Tours was established to provide specific assistance to the growing number of missions trips being organized each year. Our Missions Department is keyed to the unique needs of church and mission organizations throughout the world regardless of denomination.

When your organization needs to transport teams of missionaries and relief workers internationally or domestically to various field operations, the logistics can be challenging. When you need to bring large numbers of delegates to key programs in the middle of a country, the logistics may be complex.

Your organization's travel requires a great deal of attention to achieve success. Our Missions Department is here...ready, willing and very capable to organize those logistics for you, assuring that your needs and the needs of those whom you serve are met in an organized and timely manner.

Wilcox World Travel and Tours has special contracts with major airlines for missionary, disaster relief, and humanitarian-aid travel. These contracts are available for use by groups as well as individuals.

Wilcox arranges and manages air (and land arrangements if needed), for a large number of organizations including:

- Billy Graham Evangelistic Association
- Franklin Graham's Samaritan's Purse
- Baptist State Convention Partnership Programs
- Various church denominations including:
 - Baptist Lutheran
 - Catholic Methodist
 - Church of God Messianic Jewish
 - Episcopal Presbyterian
 - Jewish

Advantages of using an agency with contracted and/or consolidator international airfares:

- Ability to instantly quote the best rates.
- Ability to provide seasonal rate information for each carrier; i.e., low (basic), shoulder and peak season dates and rates, based on origin and destination cities. This is a very useful tool when budgeting and setting dates for upcoming travel programs; i.e., allowing for the possibility of scheduling the programs during less expensive seasons. For example, peak season begins for European travel on or after June 15 (for most airlines). If scheduled one day earlier (departing the 14th or before) several hundred dollars per ticket could be saved.
- One-way, open and west-bound travel permitted on most of our contracts.

"Truly a wonderful, life-inspiring experience. I continue to be amazed at how much my life has changed while serving others. My Bible will never be 'read' the same...Now I can relate to so much more!"
 – Louis & Robert

Wilcox World Travel and Tours offers a number of valuable travel benefits for mission and non-profit personnel on short- or long-term assignments:

- 24-hour travel emergency assistance worldwide, accessed by a collect call or our toll-free numbers.
- Automatic \$250,000 flight insurance for all airline tickets.
- Connection to travel, medical, accident and other insurance through leading providers.
- Extra baggage allotments on select carriers, for travelers on long-term assignments.
- Baggage regulation information for domestic and international flights.
- Housing and budget accommodation information within the U.S. and overseas.
- A detailed check list to help prepare you to complete each stage of your travel preparation.

CELEBRATING OVER 60 YEARS

WILCOX WORLD TRAVEL AND TOURS IS PROUD TO BE ONE OF THE ORIGINAL FIFTY AMERICAN EXPRESS TRAVEL AGENCY REPRESENTATIVES IN THE WORLD...A RELATIONSHIP WE ENJOY TO THIS DAY.

WILCOX is your gateway to The Holy Land: the cultural roots, the religious heritage, and the historical pathways.

Visiting the Holy Land is not like touring anywhere else. It is a kind of homecoming, because we all grew up hearing about these places in our homes and churches, and the events became a part of our lives. WILCOX has been helping groups of tourists, pilgrims and students accomplish this life changing journey.

Our tour hosts attribute the success of our company to the care we take in selecting our guides, our buses, our drivers, and our hotel properties on site, as well, the personal attention we give each one of our groups, and our very competitive pricing.

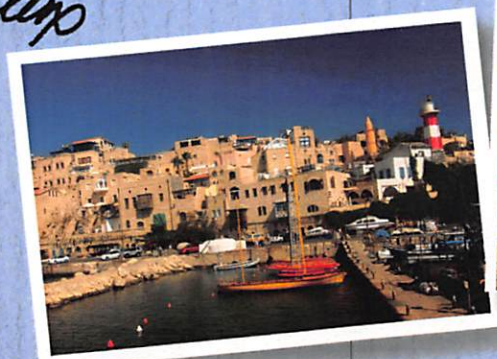

During WILCOX's four generations, operating tours has been a vocation in the deeper sense. We just do group travel differently! You can get a first impression of us by exploring this brochure. Just as it differs from other brochures you have seen, so we here at WILCOX differ from other tour companies.

Let us help you with your next journey to the Holy Land and you too can see how we can make your journey a special, life changing experience.

Our Service - Our basic principle is this: The tour is yours! We'll help you design and implement the kind of experience you want. Some choose to stress the cultural and historical aspects of the Holy Land. Others seek to deepen their faith, following in the footsteps of Jesus, the first apostles and the earliest Christians. In addition to visiting the archaeological sites, we make a special point of exploring the landscape, showing how it connects to the Biblical events.

Our Guides - The qualities we seek in a guide are knowledge, language skills, patience, and above all, heart. These lands are special to us, so the persons who lead you through them must be responsive, both to their deeper meanings and to your purpose in being here. Our guides can present the cultural background and/or the Biblical text in a living connection to the sites.

Our Buses and Drivers - Our tours feature modern air-conditioned coaches. The drivers are chosen for their skill, patience, and professionalism.
