

## Righteous Rides... Coming to the Charlotte Area

Righteous Rides vision is that every international missionary has access to affordable and stress-free stateside transportation. Their mission is to provide care and cars to missionaries on home assignment...in a manner worthy of God.

Righteous Rides main hub is in St. Louis, Missouri. They also have 10 other hubs located across the U.S. and 150 vans.

This is a residential address as individuals volunteer to run hubs from their home.

To request a vehicle go online to [righteousrides.org](http://righteousrides.org)

\*It is best to request a vehicle as soon as possible. Normally May - August dates fill up quickly.

\*It is possible that a representative could transport the vehicle to a missionary or pick them up at an airport depending on availability.

### **Prices:**

#### **VEHICLE OPTIONS**

For usage terms of 3-12 months:

**Pre-2013 Chrysler Minivan**, St. Louis hub only – \$9 per day lease.

**2013 or newer Chrysler minivan**, All hubs – \$12.50 per day lease.

For usage terms less than 90 days: Short term usages are available at a rate of \$18 per day lease.

WE ARE UNABLE TO ACCOMMODATE LEASES LESS THAN 30 DAYS.

#### **OTHER FEES**

**CLEANING FEE:** \$100, this fee is only charged to you if your van is returned without having been (1) washed, (2) thoroughly vacuumed, (3) wiped down on the interior, and (4) found free of significant spills and carpet stains.

**PET FEE:** Users who chose to carry a pet in the van will be charged a \$250 cleaning fee to cover the additional cost of ensuring that the vehicle is safe for others who may have pet hair allergies. This policy and fee does not apply to required service animals.

**EXCESS MILEAGE FEE:** Users are allotted 66 miles per day (actual vehicle usage days). Any mileage in excess of this will incur a \$.15 per mile charge upon return of the van. Example: 180 day lease, the limit is 11,880 miles (180X66). If the total miles driven was 13,000, and additional fee of \$168 would be charged. ((13,000-11,880)X0.15). Most users will not experience this fee as 66 miles per day is the average of our fleet has experienced over 14 years and 25M+ miles.
